Drug Facts (continued)

Directions

- Sprinkle an ample amount of ***OIL AWAY®*** directly on the area.
- Using a soft bristle brush, work ***OIL AWAY®*** into the stain.
- Repeat the process until the surface is light in color and clean.

Other information

The Original Oil Away® Waterless Concrete Cleaner is a unique formula that uses a natural enzymatic cleansing agent which is ***Bio-degradable & Waterless*** to clean oil-stained surfaces. ***OIL AWAY®*** is consciously engineered to be non-toxic to people, plants and pets. Absolutely ***NO HARSH CHEMICALS*** have been used in its formulation. Our secret is in the bio-enzymatic process that breaks down the hydrocarbon chain of the petroleum-based stain, making it effortless to clean because the chemistry ***does all the work for you!***
